REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Johnakin Middle School had another productive year in 2011 – 2012. Our students made progress in all areas of student life. Our staff made advances in their instruction and assessments. Our parents and stakeholders provided many resources to support all of our efforts.

During this school year, our staff and students worked on a variety of projects and initiatives to improve academic achievement. Our staff and students were dedicated to the writing process and engaged in daily non-fiction writing prompts. Our instructional staff worked diligently to produce quality lesson plans and engaging lessons each day. Also, our school continued to work on providing positive incentives and positive reinforcements to improve our school climate and culture.

Our teachers worked collaboratively in their Professional Learning Communities (PLCs) to discuss teaching, learning, and data. These communities are a constant reminder of our commitment to improve our school's academic achievement and meet our goals. Furthermore, our teachers continue to lead the way by writing and receiving a number of grants.

Our school continues to be a leader in our school district and community. We hosted and participated in many important and productive events like REAL Men Read, Youth Art Month, National Breast Cancer Awareness, college visits, CPR training, career planning and awareness, band and chorus concerts, science fairs, Francis Marion Day, and the State Beta Club Convention. These are just a few of the many opportunities for our staff and students to continue to excel in life, character, and academics.
